

Eurovision One-Stop Shop

Eurovision **One-Stop Shop** combines delivery over its satellite and fiber network with production facilities, including stand-up positions, studios and play-out. This comprehensive solution is provided thanks to more than 70 selected local broadcast and production partners worldwide. **Eurovision** guarantees you an integrated service to make your life easier.

MOSCOW Eurovision

■ Location & Contact

Eurovision Moscow offers global Eurovision fibre and satellite connections through the integrated connection into the Eurovision FINE Network backed by Eutelsat uplink station operated by the Russian EBU member RTR. **Eurovision Moscow** services include camera crews, editing, access to Eurovision archives and live or recorded stand-up inserts from Eurovision studios. The landmark chroma-key studio background is provided from a remotely controlled camera that is the only eye on the Kremlin.
