

WORLD ECONOMIC FORUM ANNUAL MEETING 2017

DAVOS, SWITZERLAND
17-20 JANUARY 2017

Heads of State and governments, representatives of academia, economy, finance, business and civil society and think tanks from across the world will gather for the World Economic Forum in Davos, Switzerland.

Responsive Leadership is the theme of 2017's Annual Meeting - a call for leaders to renew systems that have supported international cooperation in the past.

At least 2500 delegates from 100 countries will participate in scores of sessions at the Annual meeting held in the Swiss Alpine resort of Davos-Klosters, from 17-20 January 2017.

FACILITIES

Eurovision Services will establish broadcast, production and transmission facilities for Television & Radio broadcasters, as well as web-based facilities to assist broadcasters and provide corporate media solutions for governments, companies, NGOs and other interested parties, from the World Economic Forum in Davos, Switzerland.

Eurovision Services will operate 2 transmission centres in Davos:

- **WEF Media Village & Congress Centre** (television, video media & radio), inside the secured zone (accreditation required)
- **Waldhotel Bellevue, Buolstrasse 3, Davos-Platz**, a short walk from Congress Centre (television, video media only), outside the secured zone (accreditation NOT required)
